

WACEM2024 ROCKING RESEARCH in ROME

WACEM2024 – The Xth World Academic Congress of Emergency Medicine was held from 5th November to 9th November in Roma, Italy.

WACEM2024 was focused on RESEARCH and the theme of the Congress was **“Landmarks in Emergency Medicine focusing on Geriatrics, Longevity, Living and Healthy Aging.”**

WACEM2024 Was hosted by GREAT Italy with the endorsement of The American Academy of Emergency Medicine (AAEM).

The Secretary General of WACEM Professor Salvatore Di Somma was the Leader of the World Congress.

WACEM2024 Kick Off Event was on 5th November 2024:

SWETALY

GAPS AND POTENTIAL COLLABORATION IN AGEING

A Collaborative Meeting was held between leaders of Sweden and Italy for making a framework to advance current ageing research and gaps encouraging collaboration within the network. The meeting is organized in collaboration with La Sapienza University of Rome and hosted together with Roma Tre University.

The World Congress began on 6th November Morning The Scientific Sessions which were engaging with Stars of EM across the world including Dr. David Carr, Dr. Lisa Moreno-Walton and Dr. Antoine Amin Kazzi & Dr. O John Ma speaking at the Scientific Sessions.

This Year WACEM strictly adhered to RESEARCH and attendees were encouraged to Present Original Work, Ideas and Experiences.

500 World Experts Presented at WACEM2024 and provided over 200 Hours of education with attendance from 39+ Countries.

Academic Experts from all over the world including USA, UK, India, New Zealand Qatar, Singapore, Japan, Malaysia, Israel, and Nepal participated in WACEM24.

The WACEM Women Leaders Conference was held on 8th November 2024.

ROME presented itself to the world as a hub for Quality Academics with High Quality Education, Research and Patient Care.

The Italian Association of Heart Failure Patients “Associazione Italiana Scompensati Cardiaci” held its Annual Summit as a Post Conference to WACEM on 9th November 2024.

Getting Inspired by this Organization of patients WACEM has launched a new Pillar called **WACEM Patients Network** focused on bringing emergency patients whose lives were saved because of Timely Emergency Medical Care across the world to one platform.

WACEM2024 Secretary General Professor. Salvatore deserved all the credit for making WACEM2024 a grand success.

WACEM2024 set new benchmarks for Global EM Conferencing with its 5 days of hard-core Research Presentations Format.

Through his vision to achieve emergency Care Research Excellence, Professor Dr. Salvatore embraced an ambitious agenda to take RESEARCH Academics to the Global level.

WACEM24 Coincided with the HOLY JUBILEE YEAR in ROME.

As per Internet “The tradition of the Jubilee dates back to 1300, when Pope Boniface VIII declared a universal festival for the Catholic Church. Every 25

years, the Eternal City transforms into an epicenter of faith, tradition, and culture as it hosts the Rome Jubilee. This extraordinary event, also known as the Holy Year, is a time of great significance in the Catholic Church, offering both spiritual enrichment and the opportunity for plenary indulgence. The Theme of This Jubilee is PILGRIMS OF HOPE. The Jubilee Year will run from the opening of the Holy Door in St Peter's Basilica in Rome, on Tuesday 24 December 2024 to the Feast of Epiphany 2026. Archbishop Bernard is set to celebrate Mass for the Solemn Opening of the Year, at St Chad's Cathedral on Sunday 29 December 2024".

The World Academic Congress of Emergency Medicine echoed the sentiments of Italian Academicians to work with the world of EM Academics to collaborate and innovate for bettering patient care across our One world, One emergency patient at One time All the time!!

“WACEM24 has established New Standards embracing the concept that Emergency Care Research is a multi-disciplinary concept which crosses borders of conventional specialty driven departments as it demands working together to win the battle to save the lives of patients with emergencies. I congratulate Dr. Salvatore and GREAT ITALY NETWORK on this huge achievement. Well Done Indeed !” said Dr Sagar Galwankar, Executive Director WACEM, President ACEE and CEO, INDUSEM.

The 2025 WACEM will be held in BHARAT at Mangaluru, Karnataka.

MANGALURU
KARNATAKA

BHARAT wins the Bid to host WACEM25 @Mangaluru as Dr. Vimal Krishnan Pillai takes over as the 2025 Secretary General of WACEM

🇮🇳 JAI HIND 🇮🇳
🙏 Welcome to India 🙏

About INDUSEM:

The INDUSEM mission is to envision and implement the future of Patient Care across the world. The partnership brings together Expert Educators, Inquisitive Innovators and Physicians supporting Safe Patient Care across India, United States and the World. INDUSEM is the Top International Partnership across the World and brings together Institutions, Individuals and Initiatives focused on improving patient care globally. Till date INDUSEM has reached over 50,000 Experts and its reach continues to grow daily. **For more information, visit www.indusem.org**

About WACEM:

The World Academic Congress of Emergency Medicine is the official annual meeting of the World Academic Council for Emergency Medicine. The Council was launched in 2016 and the Constitution was finalized in 2017. Founded by Academic leaders from USA, UK, Italy, Qatar, UAE, India, Sri Lanka, Singapore & Japan WACEM is a Non-Political 100% Academic Organization focused on working with individual academicians, academic institutions and academic organization to forward the Science of Emergency Patient Care. All clinical specialties namely trauma, critical care, cardiology, neurosciences, pediatrics, orthopedics, acute care surgery and emergency medicine involved in the academic science of Emergency Patient Care are a part of the WACEM Agenda. **For More Information: www.wacem.org**

About GREAT ITALY

GREAT Italy is a Network of multidisciplinary experts in the management of acute clinical conditions in the fields of emergency medicine and critical care. Over the last years, the GREAT Network has experienced a yearly lively growth, and now includes 72 countries in the world and important cooperations with Universities and Care Centers at the global level. Italian and International GREAT Congresses have been held each year in Rome,

Italy; Paris, France; Barcelona, Spain; Prague, Czech Republic; Helsinki, Finland, with an increasing number of participants and a very active participation and collaboration between outstanding experts and young fellows. GREAT-ITALY is a part of the GREAT Network. **For More Information:** <https://www.greatnetwork.org/site/>

About AAEM

The American Academy of Emergency Medicine (AAEM) was established in 1993 to promote fair and equitable practice environments necessary to allow emergency physicians to deliver the highest quality of patient care. For 30 years, AAEM has been a leader in protecting board certification in emergency medicine and confronting the harmful influence of the corporate practice of medicine. We support fair and equitable practice environments that allow emergency physicians to deliver the highest quality of patient care. The American Academy of Emergency Medicine (AAEM) is the specialty society of emergency medicine. AAEM is a democratic organization committed to its founding principles. Pioneers of the American Model of International Emergency Medicine leaders of AAEM are credited with the global advancement of Emergency Medicine over the last two decades. **For More Information** www.AAEM.org

About AISC

The Italian Association of Heart Failure Patients was founded in Rome in 2014. With the help of all the Councilors, who are part of the Executive Committee, and the doctors who collaborate, the Association has structured itself and is carrying out a widespread dissemination activity with documentation of scientific value, coming into contact with all the other heart failure centers existing in the national territory. **For More Information:** <https://www.associazioneaisc.org/>
