

WACEM21 WoWs The World !!

India Hosted WACEM21 virtually to coincide with the celebrations of Azadi ka Amrit Mohotsav as India completes 75 Years of Independence.

WACEM21 started off with Azadi ki Amrit Parikrama where bikers Shri. Prasad Chaulkar and Shri. Abhijit Kohli circled India covering 7000 KM and 12 states carrying the WACEM and India flag, spreading the message of Emergency Medicine, Safe Driving and Road Safety. They returned in time to kick start WACEM21.

Spanning over 10 Days across various time zones of the world WACEM21 featured talks from Star Academicians working in Emergency Sciences.

The carefully curated content includes Full Day Sessions on Point of Care Ultrasound and Simulation Education.

The World CPC Competition saw the best institutions in the world compete in a 12-hour marathon competition. It was an effort worthwhile as India swept the competition with Dr. Amritnand emerging as the Faculty Winner from Sri Gokulam Medical College and Dr. Devansh Gupta emerging as a Resident Winner from AIIMS New Delhi.

Highlights of the Day

Women in Academic & Clinical Leadership Across the World “It is **IMPOSSIBLE** !!”

About ACEN-INDIA

Emergency Nursing is a New Academic Discipline for India. The Academy for Clinical Emergency Nursing in India (FACEN-INDIA) was launched in 2011. The role of Academic Emergency departments is crucial in developing a cadre of trained emergency nurses and fellowship in Emergency nursing will be the steppingstone for improving emergency care all over India. With the introduction of Clinical Emergency Nursing as an independent discipline the doors have opened for nursing colleges to pursue initiatives to create free standing academic courses in conjunction with departments of Emergency Medicine which can train the future nurses for this exciting and important specialty. **For More Information: www.acenindia.org**

About AIIMS, Nagpur

All India Institute of Medical Sciences, Nagpur is one among the four AIIMS announced during the budget speech 2014-15 under Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). The Foundation stone for the institute was laid by Hon'ble Prime Minister of India, Shri Narendra Modi and Hon'ble Chief Minister of Maharashtra, Shri Devendra Fadnavis at Sector 20, MIHAN on 14th April 2017. Union Cabinet Minister for Road Transport and Highway and Shipping (GoI), Shri Nitin Gadkari, and several other dignitaries graced the occasion. The primary objective of AIIMS is "correcting regional imbalances in the availability of affordable/reliable tertiary healthcare services and also to augment facilities for quality medical education in the country". With a campus spanning over 150 acres of land in the Special Economic Zone, MIHAN, the institute is committed to its mission of providing the highest levels of patient satisfaction, healthcare, safety, dignity and rights through evidence-based clinical practices of the highest standard and transparent management processes. Working tirelessly, within a short span of time, it has been unfaltering in its efforts to provide the best medical education and training with all modern

facilities and is progressing towards becoming a Center of Excellence in teaching, patient care, and research. Currently, students for MBBS, post-graduation, and Ph.D courses are enrolled with the institute. **For More Information:** <https://aiimsnagpur.edu.in/>
